

Mary L. Thompson

January 7, 1935 - January 21, 2021

Mary L. Thompson –

There was great rejoicing in Heaven on January 21st, 2021 as Mary L. Thompson was called home to be with the lord.

She lived with great faith believing Jesus is the Resurrection and the life.

Mary was born in Harlan, Kentucky on January 7th 1935 to Arthur and Bessie Browning.

Mary was a member of the Pentecostal Church of God. She loved reading her Bible, working in her yard, and spending time with her family and grandkids.

There is comfort knowing that “To be absent from the body, is to be in the present of the lord (2 Corinthians 5:8)” She will be greatly missed by her family and friends.

She worked at Warren Paper, Home Hospital, and Andovers. She was a hard worker.

Mary was a woman of prayer and great faith, her desire was that others would know Jesus.

Her first marriage was to Warren G. Daugherty in 1951. In 1972 she married the love of her life John I. Thompson, he preceded her in death in 2001 along with her father, mother, two brothers, eight sisters, daughter Brenda Green and three grandchildren.

Mary leaves behind her daughter, Patricia (Darrel) Gill, Lisa (Mitchell) Rightor, Crystal Buchanan, Lawrence (Doc) Thompson, Sue Taque, Barb (Jim) HayWorth, and her very special son Joshua C. Duncan who made his home with his grandmother. Five grandchildren, Tammy Duncan, Doug (Kelly) Collins, Carrie Davenport, Stanley (Mendy) Collins, Cindy (Rogers) Myers, 26 great-grandchildren, 20 great-great grandchildren, her sisters Anna Johnson, and Jewell (Tom) Wright.

“ Grandma where do i even begin? I have so many memories i can share but my favorites probably would be about our nights in bed as youd scratch my back and tell me about “the big toe”. Youd wash my hair in the sink then put me in one of your gowns and they always smelled oh so good. I remember smelling sausage eggs and biscuits and gravy cooking. Swear you was the best cook ive ever met. Ive learned so much from you and I know here lately i may have let you down or whatever and i am sorry i hope you can forgive me one day. I will always miss you. I’ll miss coming and picking up walnuts or getting them dandelions or mowing your yard or going to goodwill on senior discount day! Ill miss those days so much i dont really have a bad memory with you. You always made the best ones especially with your beautiful singing. My favorite beo-byoh-baby every grandchilds song hell id still sit in your lap being this old and have you sing and rock me in your arms. I will miss that feeling but now your hurt and pain free and finally got to meet the man that made you the happiest in the world! Your back with gpa tom and playin cards with him and mckinnley and shootin the shit with flloyd and dorthy and jerry! I love you gma forever and always. Thomas and mayzie love you too! Love jessica (Aka Jake)

“ I lived next door to Mary from 2010-2014. My second child's first smile was at her; my eldest still calls Vanilla Wafers 'Mary Cookies'. I loved joining her on the porch to listen to her talk about her family and flowers; laughing at her war with dandelions and love of fried-green tomatoes; eating homemade chicken noodle soup and looking at her pretties. She will be missed here, but we all know she will make a fantastic angel.

“ Wow where do I start?! My mom was such a good mom. She taught me about the Lord and values of life. She was a woman that loved the Lord with all her heart She was and always will be my rock my go to when I have questions about anything because even tho she has went to be with the Lord she is always with me. I will dearly miss cooking for her and taking care of her ever need. God has blessed me with just knowing that I done EVERYTHING I could have and should have as a daughter should for their parent . I want to Thank my children her grandchildren for being there for her when nobody else was. You will be blessed beon measure. “ Gail, I am so sorry for your loss. I remember when momma (Bert) and I would come down to Indiana from Chicago to visit when I was little and the only kids in the same age range were you, Sandy, Brenda, Karen, me And sometimes after church Patsy. Ruth had a bunch of little babies but we were the were the first batch of grandkids to play together. Your mother would scoop me up and say talk to them, ain't she sweet? Mary loved babies! During the last hours with momma I was talking her across and telling stories which of course had to include Mary. Blessings to you and your large family. Peace in your heart.

“ My great grandmother, Mary lee, was a staple in my family, the monarch that held us together, she was a southern woman, a god fearing woman, and a prayer warrior. She was an amazing woman who is greatly missed, she was a like mother to my brother Joshua. She taught us hard work and determination. She taught me how to cook and be a good wife, and what to expect for a good husband. She raised us in Christ and taught me about the lord, and how to pray, and I will forever be grateful to have had her in my life
